

J. Tortorella Heating & Gas Specialists, Inc. is recruiting for Heating Service Technicians to work on the east end of Long Island, New York, approximately 80 miles from New York City. We are a full-service pool company with a Heating Division that maintains, repairs and installs pool heating equipment, as well as working with home heating and air conditioning. No HVAC certifications are required to work for us.

Technicians conduct all aspects of their job with the "Safety First" mindset. Majority of time is spent troubleshooting swimming pool heaters and other gas appliances by using gas and electrical schematic diagrams. Must be able to follow policies and procedures and repair gas burning equipment in a safe, timely manner. Preventive maintenance services are a key part of this position as well as assisting with gas line and product installations. Paperwork is required for each and every job and must be completed on a daily basis.

Hours: 7 AM to 6 PM, 5-6 days/week. On call shifts are available after probationary period is satisfied.

Job Duration: March to October

Must have social security number and valid driver's license and be at least 18 years of age.

Must be able to lift/carry and push/pull up to 50 lbs.

This position involves heavy lifting and physical labor.

Basic English proficiency is required.

Compensation:

\$18-22/hour

Travel stipend if contract is completed

How to apply:

Go to ww.tortorella.com/employment and fill out the application. Choose Heating Helper PR for the job you are applying for.
